Note: The Faculty of Science policy on pre- and co-requisite checking is outlined on page 197, columns 2 & 3, Prerequisites of the 2006-2007 Calendar. The last day to withdraw and get a refund of fees is January 19, 2007.

3. The University policy on grading and related matters is described on p. 43-46 of the 2006-2007 Calendar. In determining the final grade in the course the following weights will be used.

Term assignments	25%
Midterm examination 1	20%
Midterm examination 2	20%
Final examination	35%

4. Any student who is absent from a test or fails to complete a laboratory assignment or similar set piece of work for legitimate reasons (illness, religious conviction or domestic affliction) must discuss an alternative course of action with the instructor. The regulations covering such circumstances are outlined on p. 42-46 of the University Calendar.

5. Academic misconduct (cheating, plagiarism, or any other form) is a very serious offence that will be dealt with rigorously in all cases. A single offence may lead to disciplinary probation or suspension or expulsion. The Faculty of Science follows a zero tolerance policy regarding dishonesty. Please read the sections of the University Calendar under the heading "Student Misconduct" (pages 53-57 for 2006-2007).

6. Dates and times of class exercises held outside of class hours:

Optional field trips to TELUS World of Science Centre and the Frank Slide Interpretive Centre

7. There will be a final exam in this course scheduled by the Registrar.
